

**Great news!** The Texas State Board of Examiners of Psychologists (TSBEP) is excited to offer applicants applying for provisional and full licensure, the opportunity to apply online via the Association of State and Provincial Psychology Boards (ASPPB) Psychology Licensure Application System (PLUS). While the PLUS program may only be used by applicants for provisional and full licensure at this time, the ultimate goal is to develop the program so that it can be used by any applicant who is seeking licensure, certification, or registration in any state, province, or territory in the United States or Canada that participates in the program. The fee for applying through the PLUS system is \$200, in addition to the Board's regular licensing fees. This \$200 fee must be paid directly to ASPPB.

**What are the benefits to applying for licensure through the ASPPB PLUS program?**

- Your application information is stored for future licensure needs with participating licensing boards.
- Our PLUS Licensure Specialists are just a phone call or email away and are there to help guide you through the application process.

- All information collected as part of the application is deposited and saved in your **SECURE** Credentials Bank (CB).
- Your record can be accessed electronically by you 24/7 and forwarded to any other licensing board, organization, entity, or individual, upon request at any time in the future.
